

Getting Started

Cloud Getting Started Guide

Signing Up

Visit app.myworkforceteamtechnology.com. Choose your plan. Enter your organization name and desired subdomain. Complete payment via Stripe. Your instance is ready within 30 seconds.

First Login

Check your email for your welcome message. Click the instance URL link. Sign in with the credentials you created during signup.

Initial Configuration

Set your organization branding in Platform Dashboard then Branding. Invite your team members. Configure your AI agents. Set up custom domain if desired (Professional plan).

Adding Users

Navigate to your instance admin panel. Click Users then Invite. Enter email and role. User receives invitation email.

Managing Billing

View plan and usage in Platform Dashboard. Update payment methods via Manage Billing in Stripe. Upgrade plans self-service. Contact sales for Enterprise.
